## From the Event Manager

We have Bad News for the Carlisle Truck Nationals Presented By A&A Auto Stores, but we'll start with the good news.

The good news is that we have a great show lined up for you this year. While we present our featured vehicle display in Building T with the Old Fire Farts of York County, a celebration of Chevy trucks for their 100th year and more, clubs and gatherings representing old body styles, vans, S10, Syclones, Typhoons, Mopars, full-sized Chevys, car carriers, heavy wreckers and everything truck will be filling the fairgrounds.

The Manufacturers Midway and Swap Meet are full of products ranging from trucks by Ford, RAM, GMC, Kenworth and Nissan to parts and products for lifted to lowered applications. A&A Auto Stores, the Official Performance Parts Installer and Presenting Sponsor of the Truck Nationals will be on hand with free exhaust installations, offerings from Extang Bed Covers and more from their line of truck and off-road parts and supplies.

On to Bad News... we expect it to travel fast and with a little muscle from a monster truck by the name of Samson. Bad News and Samson will be joined by an FMX show sure to put you on the edge of your seat. Complimenting their performances on the schedule, look for live music and Timberworks Lumberjack events to add to your weekend entertainment.

For all the event details, vendor offerings and facility information, please give the pages of this directory a turn to ensure you see it all. We are happy to announce that the Carlisle Events app is also available on the app store. This new app will provide all the event details, schedules, maps and more for your weekend and weekends at Carlisle!

Enjoy your experience!

## American Truck Historical Society

The not-for-profit American Truck Historical Society was formed in 1971 to preserve the history of trucks, the trucking industry, and its pioneers. The American Trucking Association officially recognizes the ATHS as the "duly authorized organization founded to record and develop trucking industry historical data." Today, the ATHS has more than 21,000 members.

We are pleased to welcome members from regional chapters from the Mid-Atlantic region. Look for them in the Pavilion area. Remember, if things go right in the world, truck fans, enthusiasts and owners of today's trucks will be tomorrow's members of this organization so thank these groups for keeping this alive and sharing it at Carlisle.

## Elizabeth Truck Center

Elizabeth Truck Center and its sister company Car Craft Truck Works, combined, simply known as ETC, continue to raise the bar and set new standards in the trucking industry. Popular trucks include "The Beast," which revolutionized the way the industry looks at custom trucks. Since then ETC has

SATURDAY NIGHT BIG RIG GLOW SHOW

gone on to further impress with a makeover of a classic 1980 A-Model Kenworth aptly named "Bride of the Beast," an over-the-top urban assault vehicle, G-UNIT, transformed from a showroom-new 2006 Peterbilt 379 and the restoration and finely detailed rebuild of a vintage 1966 Peterbilt. "The Punisher" is one of the most incredible Kenworths on the road and an outrageous, off-the-hook, custom International ProStar, "Mayhem," and let's not forget "The Predator," imitated but never duplicated. The fun never stops at ETC and you can catch them outside the east end of Building T.

## Commercial Carriers-CAREERS

Interested in turning your passion for trucks into a career or a career that can earn significant money? Regional and National carriers will be recruiting on site this weekend. Careers in this field can offer training, significant incomes,

bonuses and more.

Carlisle is a major trucking hub with major roadways such as Interstate 81 and the PA Turnpike running right through it. And, it is home to multiple trucking companies and warehouses along with truck stops and truck-related businesses. Stop by the Big Rig area and talk with representatives of our featured carriers.

# Featured Military Tribute Displays

VOLVO'S 2017 AND 2018 MILITARY TRIBUTE TRUCKS

By Kirsten Bilger, Carlisle Events

Starting in 1927, Volvo founders Assar Gabrielsson and Gustav Larson had an idea to build cars that could withstand Sweden's rough roads and cold temperatures. Over the years, Volvo has grown and continues to grow as the company comes up with multiple innovations for improving their cars, trucks, heavy construction equipment and more.

As a way to give back to the community, Volvo proudly presents their tribute trucks, which honor military heroes. Every year, employees at the Volvo Trucks New River Valley assembly plant, located in Dublin, VA, and the United Auto Works Local 2069 Veteran Committee work together to design and install graphics for a tractor.

This past Memorial Day weekend, Volvo introduced their 2018 custom designed VNL 760 long-haul tractor. The custom designed graphics honor all of

America's military heroes with the slogan, "All gave some, some gave all...some still give."

It was then announced that the 2017 custom designed Volvo VNR 640, whose slogan is, "We stand for the flag and kneel for the fallen," would join the 2018 tractor. Together, these two trucks led more than 150 motorcycles from the assembly plant in Virginia to Washington, D.C. for the 31st annual "Run for the Wall" Ride for Freedom motorcycle rally.

This rally, better known as Rolling Thunder, consists of thousands of motorcyclists riding through the nation's capital starting at the Pentagon, through the area of the National Mall, and concludes at West Potomac Park, where the Vietnam Veterans Memorial is located. Participants can then pay their respects to those who have fallen serving their country.

Rolling Thunder, which started in 1987, now consists

of over 90 chartered chapters throughout the United States, all meeting together at D.C. during Memorial Day weekend to honor others. With this year's rally, an estimated 500,000 riders participated from across the U.S. Although many members are veterans, members can range from old to young, men to women, and veterans to non-veterans. With their slogan of "We Will Not Forget," the main goal of Rolling Thunder is to unite everyone to bring awareness to Prisoners of War (POWs) and Missing in Action (MIAs) of all wars.

The Carlisle Truck Nationals thanks Volvo for their support of the veteran community and is proud to share their commitment to our military services with Cumberland Truck Equipment. Stop by and see them at Row J, Space 150.

## Blackout

On Saturday, meet Chuck Timbrook and see his amazing military tribute truck, Blackout.

West Virginia-based and owned by Timbrook, Blackout is a 1999 Freightliner Classic that pays tribute to military veterans.

This tribute carries specific reference to the 167th Airlift Wing of the National Guard of Martinsburg, WV, Timbrook's hometown.

The truck is black, adorned with flags and graphics and

offers a somber reminder to those who gave all for our country. It has PA roots, having been worked on by VT Transportation/VT Customs in Waynesboro, PA as well as Antrim Diesel in Greencastle, PA.

## Wall of Honor

The Vietnam War uniquely stands out in our country's history due to how its service members were looked at upon their return stateside. In some cases, those who served are still trying to find their place. The difficulties that come with serving, especially on the front lines, can only be known by those who have been there, but one local central Pennsylvania man is hoping that those who have been lost in the current Iraq and Afghanistan conflicts

will never be forgotten.

Tim Wright is a retired Army veteran who served in Vietnam and lives in nearby Shippensburg, PA. He vividly recalls how he was treated when he came home from Vietnam and has built the Mid-Atlantic Wall of Fallen Heroes so that today's heroes are never forgotten. This idea came in part from a similar creation by a man named Fred Nunemacher of Millersburg, PA. Fred's wall includes just the names of Pennsylvania's fallen

from Iraq and is called the Wall of Fallen Heroes.

What makes Tim Wright's wall different is that it covers the Mid-Atlantic region (Maryland, Virginia, West Virginia, Delaware, Pennsylvania, New Jersey) as well as Washington D.C. and currently includes 827 names. This wall has made its rounds in all seven locations, including a big bike rally, Rolling Thunder, which takes place in D.C.

FINE LINE TRANSPORTATION'S COMPANY GATHERING AT THE 2017 CARLISLE TRUCK NATIONALS

By Kirsten Bilger, Carlisle Events

Fine Line Transportation and crew from Lititz, PA looks forward to the Carlisle Truck Nationals every year. Even before becoming a company, members of Fine Line have attended the show for more than a decade as spectators. After the company grew, employees and their families were invited every year to attend the event.

In 2011, Fine Line Transportation was founded by Derick and Cindy Hopkins. However, it was a rough road to get to where the company is now. When Derick and Cindy began Fine Line, they sold just about everything they owned to buy their first truck for Derick to drive. At first, Derick was the only driver for the company. However, within the past seven years, the company has grown to 30 car haulers and 40 employees. With determination and commitment, the team has grown and become successful.

Now the company can

provide full-service automotive transportation. Currently, they service railheads, plants, ports, auctions, rental companies, wholesalers and dealerships. Fine Line promises quality, professional and dedicated service, on-time and damage-free deliveries, and inventory accuracy to ensure vehicles' safekeeping.

While in the office, the company's slogan, "teamwork makes the dream work," can be heard all around. Fine Line prides themselves on their hard work and dedication. Customer service is their goal, as they thrive on keeping their customers happy.

To date, four out of 40 Fine Line employees are family members. Though only a small number of employees are family members, Derick and Cindy mention that everyone at Fine Line is considered part of their family.

Although Fine Line does not haul cars to Carlisle, they enjoy

bringing their own trucks to the show. In 2012, they brought only one truck to the Truck Nationals. As the show became a company event, they are able to bring more and more trucks every year. In 2017, Fine Line Transportation brought more than 15 trucks to the event.

As Fine Line continued coming to Carlisle, their team began looking forward to the event and enjoys it every year. With the growing team interested in the truck show, Derick and Cindy decided to return year after year, making it an annual company event. Everyone comments on how family friendly the event is while also providing great entertainment for all ages.

Carlisle Truck Nationals offers Fine Line Transportation a place to gather as a team and enjoy each other's company while still celebrating their growth. Visit them in the Big Rig Showfield area.

## A&A AUTO STORES PRESENTING SPONSOR OF THE CARLISLE TRUCK NATIONALS

A&A Auto Stores started as a family business in 1958. Sixty years later, A&A Auto Stores continues to be a leader in the aftermarket auto parts industry. With 18 locations in Eastern and Central Pennsylvania, A&A Auto is showing no signs of slowing down. In January, A&A Auto Stores opened our newest retail location and install shop at 1053 Harrisburg Pike, less than a mile from the Carlisle fairgrounds.

A&A has become a household name within the Carlisle Event community as 2018 will mark our 19th year of participating and our 60th anniversary year. A&A's Show footprint continues to grow each year. A&A offers FREE installations of exhaust systems at all of Carlisle's car and truck show events from leading brands like: Magnaflow, Borla, Corsa, Flowmaster, Billy Boat and Kooks. In addition, A&A brings a wide variety of automotive products, accessories and expert knowledge to each Carlisle event including a comprehensive product line of truck and off-road performance parts from suppliers like Extang, Trail FX, K&N, AFE, Volant, American Car Craft, Edelbrock, and Titan Lifts just to name a few.

In 2018 A&A Auto Stores was named Presenting Sponsor of Truck Nationals, which is a perfect honor for A&A Auto Stores as it fits perfectly into our mission of providing the biggest selection of aftermarket accessories and OEM parts to truck owners in the industry. We are enthusiasts too and take tremendous satisfaction in knowing

that A&A is in the position to get them what they need regardless of what make or model truck they own. A&A Auto Stores will be offering exhaust installations and more on the Manufacturer's Midway throughout Truck Nationals weekend, August 3-5.

In addition, A&A Auto Stores officially comes on board this year as the Official Performance Parts Installer for Carlisle Events.

**REVITALIZATION PROJECT**

The site of the former International Automotive Components plant, located along Spring Road a few blocks from the Carlisle Fairgrounds, closed in 2008. Carlisle Events purchased the property and has undergone several years of clearing the land, planning, cutting through red tape and is now in the beginning stages of construction. The first phase of the project is the infrastructure – roads, storm water runoff, sewage, power and water lines, etc. By the end of this event season we expect to see some buildings take shape to include a hotel, shops and a luxury car condominium community (Concours at Carlisle [concoursatcarlisle.com](http://concoursatcarlisle.com)). We are very excited at the progress and will include updates in this year's event guides.
